NOVEMBER
Vol. 1 - Issue 1

INTERNATIONAL WEBINAR on "Applications of Blockchain Technology in Global Vaccine Development and Production"

The Department of Computer Science and Engineering organized a two day International Webinar based on the topic "Application of Blockchain Technology in Global Vaccine Development and Production" on 17th and 18th of November 2020 at 7PM via Zoom platform. The webinar was handled by Ms. Anu George Enchakal, R&D Software Engineer and Project Technical Lead of Gyros Protein Technologies. She is also a Research Scholar in Blockchain and Global Economy at University of the Cumberland in U.S.

The Inaugural ceremony started with a welcome address from Dr. K.S Divakaran Nair, Director of SNGIST. Chairman Dr. M. Shivanadan inaugurated the international webinar. Principal Prof. John J Palakkappilly gave the Felicitation. The inaugural ceremony was concluded with Vote of Thanks by Prof. Anju Raveendran, Head of the CSE Department.

The two day International Webinar was attended by about 200 participants from round the globe attended the webinar, which include Students, Faculty Members, Industrialists and Research Scholars. It was really informative and the speaker could convey a clear picture about Blockchain Technology. Interesting questionnaire sessions and

doubts clearing made the webinar more interactive. The webinar was concluded with Vote of Thanks by Ms. Reshmi G Nair, Associate Professor of CSE Department and Chief Coordinator of International Webinar.

PLACEMENT @ 2016-2020 BATCH

Students of 2016-2020 batch got placed in different IT Sectors.

Neeva Jain
System Engineer
Infosys

Vijayasree R
Associate System Engineer
UST Global

Akhil Sukmaran
Associate System Engineer
Infosys TATA

Vyshnavi Prakash
UST Global

Kavya P J
System Engineer
Infosys

Anamika Madhusudhanan PA
Manager
futurewin

Anjal Jacob
Voice Assistant
SUTHERLAND

Susmy
HTML Developer
Evenza

CSE TOPPERS @ 2016-2020 BATCH

Department of Computer Science and Engineering Toppers 2016 - 2020

Shilpa M B
CGPA - 8.62

Sreejitha M C
CGPA - 8.62

Akhil Sukumaran
CGPA - 8.54

Neeva Jain
CGPA - 8.53

Vijayasree R
CGPA - 8.33

Nishana Nishad
CGPA - 8.22

Anjana
Antony
CGPA - 7.96

Susmi P B
CGPA - 7.95

Angel Mary A M
CGPA - 7.87

Rahul Prasad
CGPA - 7.85

Anu N A
CGPA - 7.84

Arya
Thankachan
CGPA - 7.73

Anisha
Surendran
CGPA - 7.70

Lilly Anjana K V
CGPA - 7.70

Abhinay A
CGPA - 7.62

Aswathy V N
CGPA - 7.59

Sandra P S
CGPA - 7.51

C.S Mohammed Sha
CGPA - 7.25

Vaishnavy Prakash
CGPA - 6.85

Bineesh K P
CGPA - 6.71

Head of the department Prof. Anju Raveendran and the faculty members congratulated 2016 - 2020 Computer Science and Engineering toppers of SNGIST Group of Institutions in 8th semester B.Tech Degree Examination conducted by APJ Abdul Kalam Technological University.

ALUMNI TALK SERIES -1 "Web Development - 2020 and Beyond"

The Department of Computer Science and Engineering organized an Alumni talk series - 1 on the topic "Web Development - 2020 and Beyond" on 15th November 2020 at 7PM via Google Meet platform. The participants were the students from third, fifth and seventh semesters, the alumni and faculty members of CSE department of SNGIST Group of Institutions.

The session was handled by Mr. Avinash Kumar M, 2011-15 passout of CSE Department. He is one of the leading Software Engineers in Baker Hughes. The session was inaugurated by Prof. Anju Raveendran, Head of CSE department. It was a really informative session and the speaker could convey a clear picture about web development. Interesting questionnaires made the session more interactive. The session was concluded with Vote of Thanks by Ms. Reshmi G Nair, Associate Professor of CSE Department and Chief Coordinator of Alumni Talk Series

ADD ON COURSE "Diploma in Cyber Security and Forensics"

The Department of Computer Science and Engineering arranged an Add On Course of "Diploma in Cyber security and Forensics" for B.Tech CSE students. The course is handled by an institution of the Federal Academy for Cyber Education. The Course was started from 28th October 2019. The session is scheduled for two hours per week. 15 students from the 2017-2021 batch of CSE attending the class.

After Completing this course students will be awarded with CDAC (Centre for Development of Advanced Computing) certificate.

Workshops

- Prof. Anju Raveendran, Head of CSE Department attended 5 days FDP based on "AICTE Incorporating Universal Human Values in Education" on 05 Aug 2020 to 09 Aug 2020.
- Ms. Reshmi G Nair, Associate professor of CSE Department attended 3 day International online Faculty Development Program based on "Enhancing the Quality of Academic and Sponsored Research" on 04 Jun 2020 to 06 Jun 2020.
- Ms. Gayathri Dili, and Ms. Rema M K Assistant professor of CSE Department attended 5 day International online Faculty Development Program based on "Research Perspectives in Futuristic Computing Technology" on 06 July 2020 to 10 July 2020.

Reboot Kerala Hackathon 2020

Four teams of six students from CSE department participated in Reboot Kerala Hackathon 2020 organized by Government of Kerala along with the Additional Skill Acquisition Program (ASAP).

The event belongs to the domain Agriculture was held at Holy Grace Academy of Engineering on 28th February to 1st March 2020. The students from sixth semester CSE (2017-2021) - "Anathu M A, Kiran Saju T, Revathy A S, Sreehari Suresh, Sharon T S and Silpa P S" were the participants. They were presented with the topic "AGRILink". Among 30 teams our students' got shortlisted on the 15th position.

Six students from fourth semester CSE (2018-2022) - "Robin Roy, Jeen Jacob, Anjali C A, Leenu Mohan, Martin Paul and Anakha Krishna C R" also participated in the event belongs to the domain "Energy" with the topic "Energy" on 6th August to 9th August 2020. They presented their project via an online platform and among 30 teams they got shortlisted in 10th position.

Onam Celebration @ 2020

As a part of digital Onam Celebration 2020, Department of Computer Science and Engineering conducted an onam festival song competition as "COR-ONAPATTU" and arranged a game as "ONATHALLU".

Alumni members, students of SNGIST, students of other colleges and schools participated in those events. The winner of the competition "COR-ONAPATTU" is Sweety K M, MBA student of SNGIST Group of Institutions. The winner of competition "ONATHALLU" is CASSASINS Group from St. Joseph's College, Pilathara, Kannur.

Advisory Committee Meeting

All students, faculties who handled the subject and parents attended the session. Each subject handling teachers gave their general feedback. After that each parent gets a time slot for discussing their feedback on first Internal results and academic related activities. S7 CSE(2017-2021) held on 29th October 2020, S5 CSE(2018-2022) held on 28th October 2020 and S3 CSE(2019-2023) held on 22nd October 2020. Generally all parents and students are happy with the ongoing online classes.

Career Development

KaushalKendra, Project under Kerala Academy for Skill and Excellence (KASE), Govt of Kerala arranged a career development class of 60 hours. 26 students from S7 CSE (2017-2021) attending the session from 13th November 2020.

Weekly seven sessions of two hours are ongoing on English training classes, Quantitative Aptitude sessions and Reasoning classes.
