## CHARITY

Raising funds for charities and sponsoring good causes are more than just important activities in a student life. Encouraging student to get involved in the community and volunteering to help those who are less fortunate help them to develop a sense of gratitude and self-worth. The value of doing charitable acts for others is tremendous, and student will feel a sense of pride when they know that their actions are making someone else's life happy. On the Christmas Day Celebration, the students of EEE S5 and S3 polytechnic went to SNEHA DEEPAM BED SCHOOL, Kunnukara Grama Panchayath and donated food.

## GRAFFITI COMPETITION

The students of S3 B.Tech Electrical and Electronics Engineering Department participated in the Graffiti Competition which was conducted by Civil Engineering Department as part of the Antidrug Awareness Campaign. The theme of the competition was “Anti-Drugs”. The students participated in the event and Aleena K Ramesh and Anandhu V Kalyan got second prize for the same.
