FOOTBALL TOURNAMENT

Football Tournament named ELECTRO 7'S was organised by the Department of Electrical and Electronics Engineering on 1st November 2022. It was a four day program and was inaugurated by our Respected Manager Mr. Prince Anand, by kicking the ball. During the inaugural ceremony he emphasized the importance of students involvement in sports and games for maintaining their health. A total of fifteen teams participated in the tournament. S5 & S3 Civil Team B (Diploma) made it to the finals by defeating S5 Mechanical (Diploma). The prize distribution was done by our respected Chairperson Ms. Jigi Ramesh. Winners got Champions trophy and a cash prize of Rs.7500 and the runner up got a cash prize of Rs. 2000. Best goal keeper was Niyas from S3 Civil (Diploma) and best player was Aldrin (S5 CE, B. Tech). During closing ceremony Chairperson congratulated EEE department for conducting such activities and assured her full cooperation for the uplift of sports and games in the college level.

WALKATHON

Electrical and Electronics Engineering Department participated in walkathon programme conducted at the SNGIST campus on 1st November 2022 as part of Antidrug Campaign. The event was inaugurated by Mr. Basil Thomas, Station House Officer, Aluva West. The walkathon started from the main gate, through Thekkethazham and ended at the back gate. Students, teaching and non teaching faculties from all the department participated in the event.

PARENTS MEETING

Parents and Teachers meeting of S3 B. Tech, S5 and S3 Diploma was conducted on 15 to 22 November 2022. In the meeting we discussed about the course, their first internal marks, attendance percentage up to November, measures for the academic improvements, activity points, Lab completion of each student and rules and regulations of the college. Also discussed about the upcoming university exam preparations and dates.

CAREER GUIDANCE

Final year diploma students attended a career guidance class by MTTC International LLC, Software and Web development company located at Ernakulam. The training focused on different areas like HVAC Design, Installation and Maintenance of Electrical area, REVIT MEP, PRIMEVARA etc. The session was informative and students were able to understand different career opportunities.

PAPER PRESENTATION

Keerthy R Lakshmi of EEE department participated in an International Conference on Smart Systems and Inventive Technology and presented a paper on Energy Performance Assessment of an Industrial Boiler with Artificial Neural Networks. It was conducted by Kerala technological congress (KETCON 2016) in association with APJ Abdul Kalam Technological University and Kerala State Council for Science and Technology and Environment on 8th to 9th January 2016.
