SEPTEMBER 2022

## ADVISORY MEETING

Advisory meeting of S3 B. Tech was conducted on 16<sup>th</sup> September 2022 at 1.00pm in HoD cabin. In the meeting faculty members were introduced to the parents and discussed about the course, syllabus of various subjects, importance of activity points, class test, internal examination, rules and regulations of the college and daily attendance. Also, we distributed the college calendar to the parents.

## STUDENTS CORNER

### INTERNSHIP

Internships are incredibly valuable for networking, gaining experience, and help the students to land the dream job in chosen sector. As a part of the S5 curriculum, polytechnic EEE students went for the internship at KEL, Mamala. KEL is a transformer manufacture company. This unit is one of the first transformer industry in Kerala to obtain BIS certification for distribution transformers and first few in India to get ISO 9001 certification. Internship was for ten days and students participated as three batches. They were familiarized with different parts of power transformers and the manufacturing techniques.

## PASSING OUT OF B.TECH 2018-2022 BATCH

The passing out ceremony (convocation) of 2018 - 2022 batch students of Engineering was held in the college auditorium. The chief guests were Dr. George Sleeba, Executive Director of K Chittapilly Foundation and George Oommen, Kerala head of Apollo tyres. In address speech they emphasized that; the students must come with a greater number of business starts up and should have an attitude of being the job providers and not job seekers.
