The KSUM launches the second edition of Innovators' Premier League (IPL 2.0)

Innovators' Premier League

IPL is aimed to bring awareness and sensitization of IEDC & its activities among students, build a competitive and entrepreneurial mindset among innovators, to identify and bring out the best talents from the Kerala Innovation Hubs and create a pipeline of start-ups.

The events are conducting in three categories

1. INNOVATION TRACK
2. TECHNOLOGY TRACK
3. ENTREPRENEURSHIP TRACK

SNGIST IEDC organising the ipl events.

PLASTIC WASTE MANAGEMENT PROJECT

The members of IEDC along with the ExCom student leads actively participated in the beautification work of the IEDC office. The activities were executed from 18th October to 26th November 2022 during evening time, holidays and Sundays. The paintings on the wall and the sealing were beautifully displayed by the members. Notice board and pictures were well exhibited. The articles made by plastic bottles were the major attractions in the office.

Achievements

and networking with industry enthusiasts. I was responsible for managing the attendees and organising the entire event.

HUDDLE GLOBAL (Article by Thajudheen Alighan)

I had the chance to volunteer at the Huddle Global Event on December 15 and 16, 2022, as a member of IEDC.

Huddle Global is designed in such a way that it provides a platform for entrepreneurs to present their Goods and talk informally with leaders in new technology and the industry on how to advance in the rapidly expanding digital world.

These two days aid me in collaborating
